

Future Face of Europe

Selection process form

This project involves three secondary schools from Norway, Spain and the Netherlands, a group of universities from 5 different European countries and many future employers. The hope of the project is to connect the dots between each of these institutions on national, European and world wide level for our youth. During the course of the project groups of students will visit the member schools, participate in and audit lessons in specific subjects. They will be required to complete online assignments as an individual and in international groups. They are asked to give feedback/input on the relevance and productivity of these lessons and programs and possibly to help write new curriculum and materials that will foster and develop the necessary skills for success in their own as well as the future of others in a global context in the 21st century.

The participants will have a greater work load and responsibility during and after their participation but the possible rewards are also very great.

Conditions and requirements;

1. Applicants will submit this form signed both by themselves and their parent/guardian.
2. A motivational letter consisting of one sided A4 to explain both their motivation and expected contribution to the project in their own words.
3. An interview with one or more of the Internationalization panel (teachers, coordinators, team leaders)
4. Have sufficient or better marks and/or GPA (extenuating circumstances may be considered).
5. Students with special needs may be considered (based on level of need and relevance to project)
6. Agree to host at least once during the project a student from a partner country.
7. Show high level of motivation and good work ethics during IB lessons (no weak on progress report).
8. Be available to travel to countries of destinations in designated times. (Countries of destination chosen by panel).
9. Agree to conduct themselves with a code of conduct as a representative of their family, school and community while visiting their host country by following all rules of conduct for school trips and rules for the partner schools.
